

ADI

TOTAL LEGAL & BUSINESS SOLUTIONS

ABOUT US

Al Dhaheri International Advocates and Legal Consultants LLC S.O.C (ADI) was founded in Abu Dhabi, United Arab Emirates (UAE) in 1997 by Mr. Ali Rashed Al Dhaheri, a retired Major General of the Police Forces and an accomplished advocate at both the Federal Courts of Abu Dhabi and Dubai Courts. ADI has since established itself as one of the UAE's leading legal service providers. ADI operates as a boutique law firm with international exposure focusing on quality and strategic solutions to meet the unique needs of select clients. ADI's highly qualified team includes regionally and internationally trained lawyers who bring a wealth of expertise in civil, commercial, criminal, personal status cases, arbitration and other alternative dispute resolution methods.

In 2006, ADI welcomed Mr. Mohsen Moustafa El Morsi, a highly respected and recognized lawyer in the industry. Under his leadership, the firm underwent transformation and restructuring, cementing our reputation as a top arbitration and litigation firm in the UAE. Today ADI specializes in offering the highest quality of legal services in litigation, arbitration, and alternative dispute resolution strategies. We serve as general counsels for various regional organizations ensuring support in all their legal and regulatory matters.

At ADI, every client engagement starts with an in-depth consultation. Our approach is simple: we listen, we strategize, and we deliver. From the very first consultation, we work closely with our clients to understand the intricacies of their matter, offering clear and strategic advice. Our initial consultation is complimentary, ensuring that our clients have the clarity they need before proceeding and is fully informed about the strength of their claim/defence allowing us to build lasting relationships based on trust and value-added services.

Our expertise spans across diverse sectors including Aviation, Banking and Finance, Construction, Corporate/Business, Criminal Law, Employment, Energy (Oil, Gas, Renewable), Family Law, Healthcare and Pharmaceuticals, Logistics, Media and Entertainment, Real Estate, Telecommunications, and Technology (IT, Software, AI). This diverse expertise positions us as a trusted legal partner for high-net-worth individuals, major corporations, and family-owned businesses.

OVERVIEW

ADI has over the years become known for providing high-end solutions to legal problems. The firm ensures that all clients, whether local or regional, achieve desired results. We are equipped with the most dynamic, skilled and effective litigation and arbitration experts in different fields. In addition our lawyers and staff have unprecedented experience in negotiations, dealing with legal issues and litigations. We do this by first mastering our client's business and their working environment. This enables us to partner with the client in pursuing the best strategic actions that steer them away from all legal challenges encountered during business operations.

OUR MISSION

To provide unparalleled legal expertise that drives success for our clients across the UAE and beyond. We are committed to delivering innovative, strategic, and results-driven legal solutions, built on a deep understanding of local and global markets.

OUR VISION

To be recognized as a leading law firm in the UAE, renowned globally for our expertise, innovation, and exceptional client service. We strive to shape the future of legal practice by consistently delivering transformative results and establishing long-term, trusted relationships with the world's most ambitious organizations and individuals.

OUR VALUES

Integrity and accountability are at the core of everything we do, ensuring trust and ethical practices in all our interactions. We embrace innovation and collaboration, continually evolving to meet the needs of clients. Our internal systems and policies are designed to support our employees' well-being and to promote transparency and a supportive workplace.

FOUNDERS

Mr. Ali Rashed Al Dhaheeri

Founder / Chairman

With over 25 years of experience as a practicing lawyer in UAE courts, Mr. Ali Al Dhaheeri has expertly handled a wide range of commercial, civil, criminal, arbitration matters. Following his retirement as a Major General from the Abu Dhabi Police Force, he pursued legal training and qualified as an advocate from the Dubai Police College in 1994. He was officially registered with the Ministry of Justice in 1997, having first been enrolled as an advocate in 1985. Mr. Ali has successfully handled numerous high-stakes cases and represented both individuals and organizations in the UAE.

Mr. Mohsen El Morsi

Managing Director

Mr. Mohsen is highly respected in both the business and legal communities as a trusted advisor to numerous multinational companies and private individuals. Known for his unwavering integrity and ethical approach, he has guided the day-to-day operations of ADI since 2006. With over 38 years of legal experience, he specializes in dispute resolution, litigation, and real estate & construction matters. His extensive expertise includes corporate and commercial affairs, and he regularly advises clients on complex legal disputes, serving as arbitration counsel at both the Dubai International Arbitration Centre (DIAC) and the Dubai International Financial Centre – London Court of International Arbitration (DIFC-LCIA). Mr. Mohsen holds a law degree from Al Mansoura University in Egypt (1997) and is a member of the Egyptian Bar Council, as well as the American Bar Association.

OUR SERVICES

CORPORATE SERVICES

At ADI, we understand that each business is unique, that's why we offer flexible fee structures to meet the specific needs of your organization. As your general counsel, we become an extension of your team, managing all aspects of your legal department operations, from contract negotiation to compliance and risk management.

We assist corporate clients in managing their business relationships with both consumer-facing and business-to-business engagements, domestically and internationally. Our team of experienced lawyers offers high-level advice on all types of commercial contracts, including software licensing, product development, data privacy, marketing, supply chain agreements, outsourcing, sale purchase et al. Drawing on extensive market knowledge from advising some of Dubai's largest companies, ADI provides tailored legal support ensuring your legal needs are fully addressed.

Our firm supports clients at every stage of their business journey, from formation to expansion and restructuring. We offer expert counsel on mergers, acquisitions, human resources support, joint ventures, and company reorganizations, while also addressing wealth planning for both companies and individuals. We ensure our clients meet regulatory standards by developing corporate compliance programs and advising on governance, with a focus on director responsibilities and liability.

In an increasingly interconnected world, ADI provides legal support for cross-border transactions and international operations. With our team's in-depth knowledge of international law and regulations, ensuring compliance and mitigating risks for clients operating across multiple jurisdictions. Whether expanding into new markets, negotiating international contracts, or managing multinational corporate structures, we have the global perspective and local expertise to assist you.

DISPUTE RESOLUTION AND INVESTIGATIONS

At ADI, we provide top-tier legal support, focusing not only on preventive measures but also on resolving disputes when they arise. Our highly experienced litigation team handles complex commercial disputes, ensuring your business interests are safeguarded through negotiation, mediation, arbitration, or litigation. We offer specialized teams for different courts and sectors to ensure seamless and effective dispute resolution.

- **Arabic Litigation Team:**

Our dedicated Arabic-speaking team represents clients in the Dubai Courts, addressing disputes across a variety of sectors. With extensive experience in local laws, they are adept at handling even the most complex cases.

- **English Litigation & Arbitration Team:**

Our team of foreign qualified lawyers represents clients in the Dubai International Financial Centre (DIFC) Courts and other international judicial authorities. This team also specializes in arbitration

Successful cases are handed over to our dedicated Execution Team, that handles the enforcement of judgments and ensures our clients receive the compensation they are entitled to. The team conducts thorough investigations to support the court's enforcement efforts.

OUR SERVICES

ADI's expertise spans across multiple industries such as, among others:

- **Aviation:**

Our team provides comprehensive legal support in aviation, covering disputes, transactional matters, and regulatory compliance. We draft and review contracts to ensure adherence to both local and international aviation standards. We advise on regulatory compliance with aviation regulations established by local authorities, such as the General Civil Aviation Authority (GCAA), and international bodies like the International Civil Aviation Organization (ICAO). Our services include drafting and negotiating agreements for the sale and purchase of aircraft (SPA), aircraft management and operations (AMOA), leasing and financing arrangements (often involving tripartite agreements), escrow agreements, and board resolutions for aviation projects and investments. We provide legal opinions on a range of aviation-related agreements, including aircraft SPAs, lease and sublease agreements, lease novation agreements, facility agreements, as well as support for aircraft repossession and enforcement matters. Our team advises on mergers and acquisitions within the aviation sector, conducting thorough due diligence to ensure seamless and compliant transactions. We offer guidance on aviation insurance matters, covering liability, coverage terms, and claims management. In coordination with our litigation team, we assist in resolving aviation disputes, including those related to accidents, contractual conflicts, and regulatory challenges.

Bank

• Banking & Finance:

Our team of banking and financial services experts, brings specialized knowledge in handling complex and high-value banking transactions. Our team's areas of expertise cover banking laws, sharia-compliance, commercial banking contracts and transactions, structuring banking facilities documentation and agreements, real estate mortgages and other banking securities & guarantees. We support banks with the enforcement of such securities and guarantees, letters of credit, debt recovery from defaulting bank customers and, representation in commercial and criminal litigation initiated by or against the banks. We ensure comprehensive solutions tailored to the unique needs of each banking client.

Our firm has extensive experience in financial and securities law, providing end-to-end advisory and representation services across the financial sector. We handle complex client disputes and claims relating to financial losses arising from various market conditions, ensure compliance with financial marketing and investment regulations, and develop risk management strategies in accordance with UAE laws and standards. Our expertise extends to drafting and reviewing client and partner agreements, advising on Anti-Money Laundering and Counter-Terrorism Financing compliance, and designing internal compliance programs and corporate governance frameworks. We also counsel clients on data protection and privacy compliance, represent them in regulatory investigations and inspections, and advise on the structuring and marketing of investment products to ensure full adherence to UAE legal and regulatory requirements.

• Construction & Real Estate:

Our construction disputes practice benefits from the unparalleled knowledge and skill of **Mr. Mohsen Moustafa**, an industry-renowned expert. He brings decades of experience across all avenues of dispute resolution, including arbitration and dispute adjudication boards, representing contractors, subcontractors, and public and private entities. Mr. Moustafa's expertise covers a wide array of complex issues, including but not limited to contract and specification interpretation, bad faith claims, total cost litigation, project delays, non-payment claims, maintenance obligations, contract scope disputes, defective workmanship, change orders and construction insurance claims ensuring strategic counsel tailored to the unique demands of each case.

Our Real Estate team in the UAE delivers industry-leading legal services ensure high standards of quality. Fully aligned with UAE regulations and the local real estate framework, we provide our clients with top-tier support tailored to meet the complexities of the real estate market. Whether advising individual purchasers, developers, financial institutions, contractors, real estate brokers, or government bodies, we understand the distinct needs of each client. Our team offers innovative, commercially focused counsel on a full range of real estate matters. Collaborating closely with our construction, litigation, and banking and finance teams, our real estate lawyers deliver an integrated suite of services on local and regional property developments, including real estate transactions, escrow advice, real estate financing and management, sale and purchase agreements, conveyancing, sub-division and strata structuring, structuring of mixed-use developments, tenancy advisory and dispute resolution, real estate litigation, strata laws and Jointly Owned Property (JOPD) compliance, disputes among investors, developers, and contractors.

- Criminal Law:

Our firm provides aggressive and experienced representation with a strategic, pragmatic approach for clients confronting felony or misdemeanour charges. We represent individuals and businesses facing federal and UAE criminal offenses, offering both preventative guidance to avoid prosecution and formidable defence at trial and on appeal. Our comprehensive services encompass every stage of criminal proceedings, including police investigations, Public Prosecution, and appearances before criminal courts, ensuring unwavering support from start to finish.

- Employment Law:

With deep expertise in employment law, our team is adept at managing complex labour issues for clients, offering proven legal solutions that address all facets of the employer-employee relationship. We specialize in the preparation and interpretation of employment contracts, resolving rights-related disputes under labour law, and advising on wage, salary, and overtime claims. From wrongful termination and dismissal cases to policy development and monetary claims, our team provides full-spectrum support. We represent our clients at every level of the judiciary in Dubai and the UAE, ensuring representation in both criminal and civil employment disputes.

• Family Law:

Our family law practitioners possess deep expertise in sharia law governing Islamic marriages and are highly experienced in navigating the diverse complexities of divorce proceedings, which can vary based on the client's background. We offer specialized support to non-Muslim and expatriate couples, who may wish to apply the laws of their home country. Our team provides comprehensive guidance throughout each stage, from registering the divorce within the Moral and Family Guidance section of the court to navigating the conciliatory procedure, a crucial phase designed to allow couples sufficient time to reconsider their decision before moving forward with a divorce. At ADI, we are committed to advancing our clients' best interests, whether in matters involving child support, custody, alimony, or asset division. Our objective is to achieve equitable, moral and satisfactory rulings, ensuring that the process remains as streamlined and supportive as possible, particularly when children are involved. Demonstrating our dedication to family-focused solutions, we offer an initial consultation and provide precise legal opinions at no cost, recognizing the importance of compassionate support during what is often a challenging time

- Logistics & Transportation:

With over a decade of dedicated service to the UAE's logistics and transportation sector, our team offers unparalleled legal support across all aspects of shipping, land transport, and warehousing. Known for our deep understanding of the industry's unique demands, we provide strategic counsel to carriers, logistics companies, shippers, and freight forwarders. From addressing intricate legal issues to facilitating amicable dispute resolution, we bring extensive experience and a reputation for excellence to each client relationship. In a complex regulatory environment, we ensure that our clients' legal standing remains secure, fostering trust and longevity in business partnerships.

• Maritime and Shipping:

Our Maritime and Shipping team provides comprehensive legal support across maritime disputes, addressing issues arising from breaches of contractual obligations and the complexities of global trade and shipping. With extensive expertise in maritime law, we offer strategic guidance on every aspect of the industry. Our services include advising on all aspects of multiple voyage charter parties, including bills of lading, contracts of affreightment, forward freight agreements, and shipping and shipbuilders' risk insurance and claims, resolving charter party disputes, handling brokerage claims, managing cargo claims, addressing bills of lading and other documentary claims and disputes, assisting with collision and salvage matters, representing clients in sales of goods and letter of credit disputes. Our commitment is to provide pragmatic, results-oriented solutions for our clients, ensuring that each matter is managed with accuracy and aligned with our clients' commercial objectives.

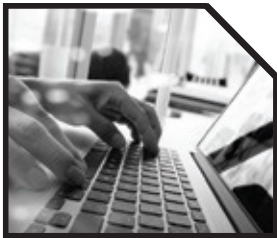

MARITIME AND SHIPPING CLAIMS

We cater to all kinds of maritime disputes arising out of breaching contractual obligations. We know how to handle all the disputes arising from trade & shipping with our vast knowledge in understanding all aspects of the trade.

The services we offer are:

Dealing with all the aspects of multiple voyage charter parties with the bill of lading, contract of affreightment, forward freight agreements, shipping & shipbuilders risk insurances & claims.
